Follow up to Our Annual Meeting:

Our annual meeting was held this past Sunday, Nov. 9, and was attended by nearly 40 members, or their proxies. Thank you for your active participation. Together we make our fellowship thrive! The members passed a budget for 2026 of \$73,100.

Click <u>HERE</u> to access a **2026 Pledge Form** to continue your contribution to the expansion of our dear Fellowship. Please return your pledge to our Treasurer, Judy King: 260 McMinn Rd. Port Townsend, 98368, email: judith.king2@icloud.com. We appreciate your support as we look forward to another year of community and connection! Finally, Member Megan Cate stepped up during the meeting to run for the one open seat on the Board of Directors, and was duly elected. Thanks, Megan! Our seven-member board is now: Megan Cate, Gary Nelson, Judy King, Ron Strange, Brian Rogers, Rob Wamstad and Nils Pedersen.

What Do You Believe?

We are a community of free faith, each with our own carefully curated ideas and beliefs. On our new website, we include a section entitled Who Are We, and under that is tab entitled Our Religion–What do We Believe? In addition to a broad statement about our free faith and our Fellowship, we would love to include individual statements of personal belief, ideally a 3 or 4 minute video of you expressing your credo statement, your set of personal beliefs, whether those are Christian, Buddhist, Atheist, Humanist, or defying all labels (like many of us!). So, if you would be comfortable expressing your personal belief statement to the world to help show who we are, please contact Doug Rodgers, who will coordinate this effort for us. We hope to post five or six videos, and if we get more than that, we can rotate the ones we have up on the web. Doug can be reached at douglas.rodgersesbcglobal.net.

Membership Status: Consider Becoming a Member this Winter!

Our community is growing and expanding thanks to our members. We'd love to have you join us, too! You too may become a member of the Salish Sea Fellowship by filling out the application form (**HERE**), and then being approved by the Board. All membership applications we have received have been approved by the Board. All are welcome! Make community a priority in 2026.

LIGHTHOUSE GROUPS

Many of us seek deeper spiritual and personal connection, as well as the opportunity to talk meaningfully and openly about our hopes, fears and beliefs. As such, we hope to start one or more Lighthouse Groups (also previously known as Covenant Groups) to allow our members and friends the opportunity for this deeper connection. Typically, these types of groups meet several times a month, either at a member's home or at the Fellowship, and the meeting involves both personal check-ins and topical discussion. Ten of our Salish Sea members have been part of the same group for years, and it has become a meaningful and important part of their lives. As such, the members of this group hope to start new groups in our Fellowship to allow others this deeper connection. We only need 3-4 additional folks to get this group up and running!
